Bids received until Feb. 25, 1915.

Water Meters and Machinery

BUREAU OF ENGINEERING.
DEPARTMENT OF PUBLIC WORKS.

Chicago, February 3, 1915.

Sealed proposals will be received by the City of Chicago until 11 a.m. Thursday, February 25th, 1915, at Room 406 City Hall, for manufacturing and delivering to the City of Chicago Water Meters, made according to designs prepared by the City of Chicago. The following quantities of water meters are desired:

1,500 ¾-inch meters.
2,000 1-inch meters.
750 1½-inch meters.
750 2-inch meters.

The city will furnish detail drawings and one set of patterns of each meter. The contractor is to turn over to the city upon completion of his contract special machinery, tools, dies, jigs, etc., used in the manufacture of the meters, according to plans and specifications on file in the office of the Department of Public Works of said city, Room 406 City Hall.

Proposals must be made out upon blanks furnished at said office, and be addressed to said department, indorsed "Proposals for Water Meters," and be accompanied with One Thousand Dollars in money or a certified check for the same amount on some responsible bank located and doing business in the City of Chicago, and made payable to the order of the Commissioner of Public Works.

The Commissioner of Public Works reserves the right to reject any or all bids.

No proposal will be considered unless the party offering it shall furnish evidence satisfactory to the Commissioner of Public Works of his ability, and that he has the necessary facilities, together with sufficient pecuniary resources, to fulfill the conditions of the contract and specifications provided such contract should be awarded to him.

Companies or firms bidding will give the individual names as well as the name of the firm with their address.

L. E. McGANN,
Commissioner of Public Works.

Bids received until Mar. 1, 1915.

Those interested send to County Auditor for detailed information.

C. M. NELSON, Co. Aud.,
Grant County, Minn.

Bids received until Feb. 26, 1915.

Pipe Sewers and Disposal Works

Mt. Morris, N. Y.

Sealed proposals will be received by the Municipal Board of the Village of Mount Morris, N. Y., until 12 o'clock, noon, on the 26th day of February, 1915, for the construction of about nine miles of pipe sewers and disposal works, and appurtenances.

Plans may be seen and specifications obtained at the office of the Board at Mount Morris, N. Y., or at the office of Charles C. Hopkins, Engineer, Rochester, N. Y.

The Board hereby reserves and has the right to reject any or all bids, or to acce t any that in its judgment will be for the best interests of the Village.

A surety bond satisfactory to the Board in form and amount will be required of him to whom the contract may be awarded.

A certified check, made payable to the order of the Board of Trustees of Mount Morris, N. Y., to the amount of $2000 must be deposited by each bidder and accompany his bid as a guarantee that in case the contract is awarded to him he will, within seven days thereafter, execute such contract.

Bids will be received for the whole work or for the pipe sewers or disposal works separately, and must be sealed and addressed to the Municipal Board, care of the Village Clerk, Mount Morris, N. Y., and marked on the outside of the envelopes "proposal for Sewerage System."

THE VILLAGE OF MOUNT MORRIS,
R. W. WHITE
J. F. DONOVAN
J. C. DICKEY
Municipal Board.

C. C. HOPKINS, Engineer,
349 Cutler Bldg., Rochester, N. Y.

Bids received until Mar. 24, 1915.

High Duty Water Works Pumping Engine

City of Perth Amboy, N. J.

Sealed proposals will be received at the office of the Board of Water Commissioners of the City of Perth Amboy, N. J., at the City Hall, at 8 o'clock p.m., March 24th, 1915, for furnishing and erecting one twelve-million-gallon pumping engine, in accordance with plans and specifications on file in the office of the Clerk of the Board of Water Commissioners in the City Hall, where copies may be obtained. Said engine to be placed in the pump house at Runyon, N. J., as specified, and such bids to include all accessories usually accompanying an engine of the class bid upon, together with steam and water connections, the whole ready and in place. In comparing bids consideration will be given to special adaptability to conditions met, merit of design and economy, as well as first cost.

Each bid must be accompanied by plans sufficiently in detail to give a clear idea of the sizes and arrangement of the principal parts and by specifications giving a description of the engine, and stating the duty to be guaranteed, length of time required for completion, etc. Each bid must be accompanied by a certified check for an amount equal to five (5) per cent. of the amount of the bid.

The right is reserved to reject any or all proposals.

PETER KROEGER, Clerk.

S. J. MASON, Engineer.

Bids received until Mar. 5, 1915.

Concrete Pavement and Bituminous Surface

Roselle Park, N. J.

Sealed proposals will be received by the Mayor and Council of the Borough of Roselle Park, N. J., for concrete pavements and appurtenances at eight thirty P.M. Friday, March fifth, 1915.

Plans and specifications may be obtained at the office of the undersigned between the hours of eight thirty A.M. and 12 M. upon payment of a deposit of $10.00, which will be refunded upon return of same.

A certified check for $500.00 must accompany each proposal.

The Council reserves the right to reject any or all proposals as may be deemed best for the interests of the Borough.

W. H. LUSTER, Borough Engineer,
286 N. Broad St., Elizabeth, N. J.

Bids received until Mar. 1, 1915.

Animal Building

Rosebank, N. Y.

Sealed proposals for Animal Building, for the Port of New York, at the Quarantine Station, Rosebank, Staten Island, N. Y., Construction, Heating, Plumbing and Drainage and Gas Piping and Electric work, will be received by Dr. Joseph J. O'Connell, Health Officer of the Port of New York, Quarantine Station, Staten Island, N. Y., until 11:30 A.M. March 1, 1915, when they will be publicly opened and read. Proposals shall be enclosed in an envelope furnished by the State Architect, sealed and addressed, and shall be accompanied by a certified check in the sum of $300.00 for Construction Work, $30.00 for Heating Work, $70.00 for Plumbing, Drainage and Gas Piping and $50.00 for Electric Work. Contractors to whom awards are made will be required to furnish surety company bond in the sum of 50% of the amount of contract within thirty days after official notice of award of contract and in accordance with the terms of specification Nos. 2133, 2148, 2149 and 2150. The right is reserved to reject any or all bids. Drawings and specifications may be consulted at the office of the Health Officer, Port of New York, Rosebank, Staten Island, N. Y.; at the New York office of the Department of Architecture, Room 1224, Woolworth Building, and at the Department of Architecture, Capitol, Albany, N. Y. Drawings and specifications and blank forms of proposal may be obtained at the Department of Architecture, Capitol, Albany, N. Y., upon the deposit of a certified check in the sum of $10.00 made payable to the State of New York for each set of plans and specifications, which check will be returned if plans and specifications are sent back in good condition to the State Architect, Lewis F. Pilcher, Capitol, Albany, N. Y.

Bids received until Mar. 2, 1915.

Proposals for Road Oil

Wilkes-Barre, Pa.

SEALED PROPOSALS will be received at the City Clerk's Office, Wilkes-Barre, Pennsylvania, until Tuesday, March 2nd, 1915, at 12 o'clock noon, for furnishing and delivering F.O.B. cars, Wilkes-Barre, Pennsylvania, Forty Thousand (40,000) gallons of road oil, more or less. The bidder will quote prices by the barrel, tank car or otherwise and will plainly give the name or brand of oil bid on, and must submit samples with proposal. Proposals will be endorsed "Proposals for Road Oil" and addressed to Fred H. Gates, City Clerk, and each bid must be accompanied by a certified bank check of the bidder in the sum of Two Hundred Dollars ($200.00), conditioned upon entering into a contract with the City, otherwise no action will be taken on the bid submitted. The City reserves the right to reject any or all bids received.

CHARLES N. LOVELAND, Superintendent,
Department of Streets and Public Improvements.

Bids received until Feb. 25, 1915.

Section H—Dorchester Tunnel

City of Boston, Mass.

Sealed bids for building Section H, Dorchester Tunnel, will be received by the undersigned until 12 o'clock noon of Thursday, February 25, 1915. The section is located in Dorchester avenue between Old Colony avenue and Woodward street, and is about 2,200 feet long. The structure is to be mainly of reinforced concrete, and consists of a single span double track tunnel to be built by the cut and cover method. The work also includes a pump well, an emergency exit, and sewer changes. Specifications and forms of contract can be obtained at 15 Beacon street, ninth floor. The right to reject any and all bids and to award the contract as is deemed to be for the best interest of the City of Boston is reserved.

By order of the BOSTON TRANSIT COMMISSION,
B. LEIGHTON BEAL, Secretary.

Attention of Large Contractors

is called to an opportunity of which full information can be obtained by writing

JOHN L. ROPER LUMBER COMPANY,
Norfolk, Va.

Bids received until Feb. 25, 1915.

Concrete Bridge

DEPARTMENT OF PUBLIC WORKS
Office, 216 City Hall
Philadelphia, February 8th, 1915.

Sealed Proposals, endorsed "Bids for the construction of a concrete bridge and its approaches to carry Broad Street over the joint four track railroad, South Philadelphia Track Elevation," and addressed to the undersigned, at Room 216 City Hall, will be received until 12 o'clock, noon, February 25th, 1915, for

CONTRACT No. 201. Broad Street Bridge over the joint four track railroad, South Philadelphia Track Elevation.

Plans for the above work will be exhibited in the office of Bureau of Surveys, Philadelphia.

Specifications and blank forms upon which bids must be made, will be furnished upon application to the Chief Engineer, Room 416 City Hall.

Bidders must be skilled and regularly engaged in the class of work bid for.

Bids will be opened and read in Room 225 City Hall, at noon, on date above mentioned.

No bid will be considered unless accompanied by a certificate from the City Solicitor that the provisions of an ordinance requiring proposal bonds when the bids exceed in amount five hundred dollars, approved May 25, 1860 (p. 81, West), have been complied with.

The Director reserves to himself the right to reject any or all bids, as he may deem best for the interests of the city and the various Railroad Companies.

M. L. COOKE, Director.

Bids received until Mar. 12, 1915.

Proposals for Street Paving

Wilkes-Barre, Pa.

SEALED PROPOSALS will be received at the City Clerk's Office, Wilkes-Barre, Pennsylvania, until Friday, March 12th, 1915, at 12 o'clock Noon, for curbing and paving streets in the City of Wilkes-Barre, Pennsylvania. Bids to be submitted in accordance with specifications, copies of which may be had upon application to B. K. Finch, City Engineer, upon the payment to him of the sum of Five Dollars ($5.00), which will be refunded to bidders, provided specifications are returned to the City Engineer on or before March 15th, 1915. Bids to be submitted as follows:—For sheet asphalt in two sections, totaling about 40,000 square yards; For vitrified brick in four sections totaling about 46,000 square yards; For cobblestone in one section of 600 square yards; For vitrified brick and macadam in one section of 7,500 square yards, together with the necessary red stone, blue stone or concrete curbing. Certified bank check for Five Hundred Dollars ($500.00) to accompany each bid except for cobblestone, which will be for One Hundred Dollars ($100.00). Proposals to be endorsed "Proposals for curbing or paving" and addressed to Fred H. Gates, City Clerk. The City Council reserves the right to reject any or all bids received.

CHARLES N. LOVELAND, Superintendent,
Department of Streets and Public Improvements.

Bids received until Mar. 5, 1915.
